Party Print® by DNP Photo Imaging

Create Unforgettable Moments and Boost Your Bottom Line with Party Print!

A unique photo experience that wows guests, differentiates your services, and drives new revenue.

What if you could offer clients an interactive experience that entertains guests and leaves them with lasting memories? With Party Print, you'll add the wow factor to any event, creating unforgettable moments while adding a new revenue stream. Ideal for event planners, DJs, photographers, and venues, Party Print delivers real-time printed photos to enhance guest experiences and increase revenue.

Party Print turns moments into memories—right on the spot!

- **Differentiate Your Service**: Offer a unique, photo-driven experience that sets your business apart.

- **Drive Engagement**: Delight guests with real-time, printed memories they can hold in their hands within minutes. It's a fun and exciting addition to any event!

- **Revenue Generator:** Party Print can easily be added to your service packages, creating an additional revenue stream without hidden costs or contracts.

- **Pay-Per-Event, No Hassle:** With flexible pricing and no ongoing subscription required, you're in full control of how and when you use Party Print. Make it a part of your events, your way.

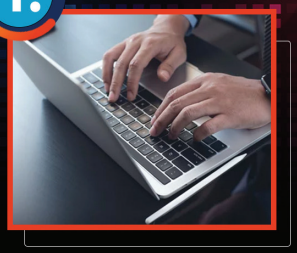

- **Easy Setup, Seamless Integration:** Whether you're hosting a wedding, corporate event, or festival, Party Print fits right in with the vibe. Setup is quick and intuitive, ensuring you're up and running in no time.

- **Guest-Friendly Process:** Guests scan a QR code, take photos using their smartphone, and upload them to the cloud for instant printing and display.

Party Print by DNP Photo Imaging

How It Works

1.

Create Event

Set up your event on the Party Print portal and generate a unique QR code.

2.

Display QR

Print and display cards, posters, or other materials with the event's QR code.

3.

Scan & Share

Guests scan the code, share their photos via the web app, and view the live photo feed.

4.

Print & Show

Photos are automatically printed and displayed in a digital slideshow for everyone to enjoy.

What Equipment Do I Need?

A DNP printer

+

Computer or WCM Plus
